

## Print & Film Overview

The tranquil beauty of Rancho Las Lomas, the pleasant year round climate, and the variety of unique settings in one location, makes this an ideal vista for film and photography shoots. It's versatility makes the Rancho an ideal backdrop for motion pictures, television shows, music videos, and catalog photography. Some of the more popular areas include...

- ▶ Historical buildings with Portuguese architectural influences.
- ▶ A variety of outside patios, fountains and foot bridges.
- ▶ Rich, naturally landscaped botanical gardens dramatically accented with vibrant red rose gardens.
- ▶ Thirty two acres of rolling hills, roads, paths and other natural settings, including ancient oaks and sycamores estimated to be over a century old.
- ▶ Scattered corrals of exotic and domestic animals built with sensitivity to the natural topography.
- ▶ A private exotic zoo featuring a variety of birds and animals including: Bengal Tigers, Lynx, Alpacas, Parrots, Peacocks and many more.
- ▶ Orange groves planted uniformly in picturesque rows.

Open all year round.
